

Safeguarding Policy

Protecting AGYW Participants - Summary for Donors and Partners

1. COMMITMENT

Every participant has the right to safety, dignity and voice. Safeguarding is everyone's responsibility at Binti Rising.

2. SAFEGUARDING LEAD

An independent Safeguarding Lead is appointed, separate from programme delivery and finance, and reports directly to the Board.

3. VERY HEAVY SESSIONS (e.g. S4 Breaking Silence)

Sessions marked VERY HEAVY require a safeguarding focal point on standby, referral lists memorised by facilitators, and mandatory debrief for the facilitation team.

4. REPORTING CHANNELS - NO RETALIATION

Reports: WhatsApp +254758919709, shortcode 20308 (Sema na Me), the anonymous complaints box on this website, or the sealed box at the Laini Saba centre. No retaliation. GBV hotline: 1195.

5. REFERRAL PATHWAY

Facilitators refer to LVCT Health, Nairobi County health facilities and GBV rescue centres. Referral closure is tracked and reported in aggregate on the Live Impact Dashboard.
